

# Carrick Institute for Learning and Teaching in Higher Education Citations for Outstanding Contributions to Student Learning

The Citations for *Outstanding Contributions to Student Learning* recognise and reward the diverse contributions that individuals and teams make to the quality of student learning. Citations are awarded to people who have made a significant contribution to student learning in a specific area of responsibility, over a sustained period, who are widely recognised for their achievements within the nominating institution, and who have received strong institutional endorsement. Nominations are open to academic staff, general staff, sessional staff and institutional associates.
