RESEARCH: Neuroscience, Chinese Medicine, Children's Hospital Genetics  
OTHER: Canadian Studies scholarships

### **Research Scholarships**

#### **Postgraduate Scholarship in Neuroscience (Pain)**

A full-time postgraduate scholarship is available for a suitably qualified candidate to undertake research studies leading to a PhD; the project is to investigate the effects of experimental and clinical face pain on jaw movement and jaw muscle function; \$23,125 pa with the possibility of a top-up scholarship; up to three years subject to satisfactory progress; applicants must be graduates who are eligible for admission to candidature for a higher degree by research and who enrol accordingly as full-time candidates.

For further information on the scholarships listed below, please see: <http://www.usyd.edu.au/ro/training/index.shtml> , select 'Current research scholarships' and search under **Research** Scholarships (in "Show Me") and by title (in "Optional Keywords").

**Closing Date:** 4 July 2008

#### **Postgraduate Scholarship in Chinese Medicinal Products in Diabetes**

A full-time postgraduate scholarship is available for a suitably qualified candidate with a good honours degree in pharmacy, science or health science to undertake research studies leading to a PhD in Pharmacy (Chinese Medicine); the project is to investigate the safety and efficacy of selected Chinese medicines (TCM) in the prevention and management of type 2 diabetes; particular emphasis will be placed on the examination of the evidence base of Chinese medicine theory and studies will be undertaken at a rigorous scientific level; \$25,872 pa; up to three years subject to satisfactory progress; applicants must be Australian citizens, Australian permanent residents or New Zealand citizens.

For further information on the scholarships listed below, please see: <http://www.usyd.edu.au/ro/training/index.shtml> , select 'Current research scholarships' and search under **Research** Scholarships (in "Show Me") and by title (in "Optional Keywords").

**Closing Date:** 10 July 2008

#### **Children's Hospital at Westmead PKU Research Scholarship**

A scholarship is being offered to a student who undertakes a PhD working on molecular and functional studies of phenylalanine hydroxylase in phenylketonuria; applicants should have an Honours Class 1 or 2A degree from an Australian university (or equivalent) and must be Australian citizens, Australian permanent residents, or New Zealand citizens; \$25,000 pa for up to three years with a possible 6 month extension, conditional on satisfactory progress; applications are invited from individuals able to commence study in Semester 2, 2008.

For further information on the scholarships listed below, please see: <http://www.usyd.edu.au/ro/training/index.shtml> , select 'Current research scholarships' and search under **Research** Scholarships (in "Show Me") and by title (in "Optional Keywords").

**Closing Date:** 4 July 2008

## **Other Scholarships**

### **ICCS Scholarships**

The International Council for Canadian Studies is offering 2 types of scholarships for postgraduates and recent doctoral candidates to pursue research or teaching in Canadian Studies (defined as research which aims at a better understanding of Canadian society and/or culture and includes most disciplines in the social sciences and humanities).

For further information on the scholarships listed below, please see:

<http://www.usyd.edu.au/ro/training/index.shtml> , select 'Current research scholarships' and search under **Other** Scholarships (in "Show Me") and by title (in "Optional Keywords").

**Closing Date:** 30 September 2008

### **Postgraduate Travel Awards (ACSANZ)**

Up to five grants are awarded each year to postgraduate students for a short research trip to Canada; research must be in Canadian Studies and related to the student's thesis topic; must involve research which aims at a better understanding of Canadian society and/or culture and includes most disciplines in the social sciences and humanities; valued at up to A\$3000; available to ACSANZ members only (new members welcome).

For further information on the scholarships listed below, please see:

<http://www.usyd.edu.au/ro/training/index.shtml> , select 'Current research scholarships' and search under **Other** Scholarships (in "Show Me") and by title (in "Optional Keywords").

**Closing Date:** 30 September 2008

### **Doctoral Student Research Award (DSRA)**

This award is designed to assist full-time graduate students at degree-granting institutions of higher education, whose dissertations are related in substantial part to Canada, to undertake doctoral research about Canada; the award includes a contribution towards international airfares and an allowance of C\$1,200 per month up to a maximum of 6 months.

For further information on the scholarships listed below, please see:

<http://www.usyd.edu.au/ro/training/index.shtml> , select 'Current research scholarships' and search under **Other** Scholarships (in "Show Me") and by title (in "Optional Keywords").

**Closing Date:** 1 November 2008
