S0044	<b>BELMORE SCHOLARSHIP FOR FIRST YEAR CHEMISTRY</b>	1
-------	---	---

In 1871 the Earl of Belmore made a gift for the purpose of providing a gold medal for proficiency in geology and practical chemistry with special reference to agriculture. His Lordship stated that should additional branches connected with agriculture be thereafter taught in the University, the examination for the medal might be made to embrace them. Upon the establishment of a Chair of Agriculture in 1910, it was decided to award the income of the fund as a scholarship. Four scholarships of \$500 each are awarded annually on the recommendation of the Dean of the Faculty to students in the Faculty. Two are tenable by students enrolling in the second year of the BHortSc, BLWSc, BResEc or BScAgr degree, the first being awarded to the student showing greatest proficiency in the first-year examinations and the second awarded for greatest proficiency in the first-year Chemistry units of study. A further two are tenable by students enrolling in the third year of the BAnimSc, BHortSc, BLWSc or BScAgr degree, the first being awarded to the student showing greatest proficiency at the second year examinations and the second awarded for greatest proficiency in Soil Science 2 and Agricultural Chemistry 2. A student enrolling in the third year of the BResEc degree is also eligible for the second-year general proficiency scholarship. In each case the students work must be of sufficient merit. Two scholarships may not be awarded to the same person in any one year.
